## Summary

I have been associated with the Political Science Department of Sarsuna College for the past eight years. Always try to help students understand the concepts of state, society, and politics in political science through practical experience and to convey a clear and accurate understanding. I always try to resolve any academic problems with students by being friendly and polite. Adaptable professional with 10 years of experience and proven knowledge in the field of classroom management, course design and curriculum development. A passionate teacher who understands that students need to gain physical skills and confidence for overall educational success. I want to contribute my knowledge and skills to this institution which will provide a real opportunity for career advancement.
